

## UNION LAKE SAILING AND TENNIS CLUB

### Winter Newsletter, 2020

#### Commodore's Corner

I would like to welcome all members and their families to the New Year.

During the last several months of 2019 we held the annual Change of the Watch. During this time we reviewed the financial health of the organization, recognized those who had achieved major accomplishments in sailing and tennis and voted on who prepared the best Chili, cornbread and desert. We also held two Saturday cleanup events, Paint and Wine Party, and lastly a New Year's Eve Party. A special thanks to all that came out and supported these events.

During the COW meeting I informed the membership that John Wilson had resign from the board and that we would be filling his position during the first part of 2020. I am happy to report that Deb Malone has joined the club's board and will be taking on the role as Treasurer. Also, during the COW meeting the general membership approved the new position of Assistant Treasurer. Harold Bernard, Vice Commodore, will be handling the responsibilities of the Asst Treasurer.

We leave 2019 with the club consisting of 100 membership families and on stable financial footing. Your board, along with support

from club members, have laid out a calendar of events. Please take note of the events that are scheduled over the next several months listed in this newsletter. As we move into the new year we will be asking for help from the general membership on facilities projects and with the coordination and setup of events. I am asking that everyone over the course of the year to lend a hand with at least one of the club's activities.

Lastly, I would like to inform the membership that Dale Finch has resigned from the board. Dale has been on the board for over 20 years and served as Commodore for a big part of those 20 years. Dale played a major role in getting the club through some rough patches. On behalf of the Board I would like to thank Dale for his years of service and wish him well.
